

Manufacturer's Certification Statement American Recovery and Reinvestment Tax Act of 2009

ABT Foam, LLC certifies that DropSide™ insulation and Advanced Wrap™ insulation may be “Eligible Building Envelope Components” which qualify for the Federal Tax credit under Section 25C of the “American Recovery and Reinvestment Tax Act of 2009”. Homeowners should consult their tax advisor to determine whether they qualify for potential tax credits under Section 25C of the Internal Revenue Code.

Eligible Products: DropSide™ Insulation and Advanced Wrap™ Fanfold Insulation

The American Recovery and Reinvestment Act of 2009 Details:

- 30% of the cost not including installation and labor costs, up to \$1,500.00
- Tax credit in effect in 2009 and 2010. Must be installed in your principal residence between January 1, 2009 and December 31, 2010.
- If you add insulation to the outside of your home, then new siding on top of it, the insulation would qualify for the tax credit, as long as it is separate from the siding.
- Even if you purchase multiple products you can only get a maximum of \$1,500.00 over the 2-year period (2009 & 2010)

Under penalties of perjury, I declare that I have examined the certification statement, and to the best of my knowledge and belief, the facts are true, correct and complete.
